## BABY BOY'S LONG TRIP.

Three-year-old Child Crossed New East River Bridge All Alone.

Though only three years old, Albert Green, Jr., who lives at 61 Hobbling street, Williamsburg, not far from the approach to the new Williamsburg bridge, is believed to be one of the favored few to cross the great iron structure, says the New York Herald.

Perhaps little Albert heard some one read the recent announcement that the bridge was almost ready to be opened to the public. During his three years of existence he has watched the workmen putting the great iron beams together, and, being of an exploring disposition, he has undoubtedly had an ambition to cross the bridge.

Albert disappeared before noon the other day and early the next morning was found at the New York end of the structure. He caused fifteen hours' anguish to his parents and became the subject of a general alarm to the police throughout New York, but by his own story he fulfilled his ambition. The child was found in Delancey street, and when asked how he got there replied:

"I walked in the air and saw beautiful lights below me. There was beautiful water and boats with stars at the top."

Albert found much amusement in the handful of granite chips such as are to be found on the roadway of the bridge. As to how he came in possession of them he appeared unable to explain. The watchmen and workmen on the bridge declare they did not see the little fellow and insisted to the police and others that he must have crossed on a ferryboat.

The only reply the child would make, however, to repeated questions put to him by his parents and others as to how he crossed the river indicated that he had walked over the bridge.

## Corpses by Mail.

The post office department has prepared a ruling to the effect that cremated bodies should be classed as merchandise and should pay the regular rate of one cent for four ounces, says the Scientific American. As a result of his decision four air tight tin caskets, containing the cremated remains of a family, shipped from New York to San Francisco, were forwarded from the Washington post office, where they had been held up pending a determination of the postage rates for the journey.

Are you about to build? If so see that your builder's contract has a clause providing that the structure shall be erected by union labor which will insure you of good work and a job completed without delay. For order Union 481, Carpenters and Joiners of America, S. R. Doty, Sec.

## CHURCH AND CLERGY.

Missionaries are well treated in Siam, and the king, a Buddhist, is giving the site for a new Protestant church in Bangkok.

Rev. James Roosevelt Bayley of the Roman Catholic diocese of Newark, N. J., has just celebrated the fifteenth anniversary of his consecration as bishop.

Bishop Boyd Vincent lately talked to business men and thus convinced them: "To say nothing of your self respect, never forget what a good investment there is, even in business, in that grand old name of gentleman."

The Lutheran church ranks first among Protestant denominations in the United States, having 1,200 congregations and a membership of 1,800,000. 48 theological seminaries, 43 colleges, 53 academies, 10 young ladies' seminaries, 22 hospitals, 52 orphan asylums, 20 homes for the aged and 8 deaconess houses.

## THE TRUE TEST.

Tried in Barre, It Has Stood the Test.

The hardest test is the test of time, and Doan's Kidney Pills have stood it well in Barre. Kidney sufferers can hardly ask for stronger proof than the following:

C. A. Churchill, 40 Merchant Street, the well known builder and contractor, says: "For two years I suffered a great deal from a steady pain across my back. I could not sit still but a short time when it became almost unbearable. In the morning when I got up I felt lame and sore and had to make quite an effort to dress myself. I doctored a good deal and used a great many medicines, but without receiving much benefit until Doan's Kidney Pills were so persistently recommended to me by a friend that I got a box at E. A. Brown's drug store, No. 48 North Main Street, Barre, Vt. I must confess that I had little confidence in them, but I was relieved. I took five or six boxes all told. Doan's Kidney Pills are the best medicine I ever used and I am glad to testify to their merits."

For sale by all dealers. Price 50 cents. Foster, Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no other.
